

IM WRITING A NOVEL FATHER JOHN MISTY MP3

When discussing 'Father John Misty', Tillman paraphrases Philip Roth: 'It's all of me After a few weeks, I was writing a novel, which is where I finally found my way, but once I settled in the Laurel Canyon spider-shack where I'm living now.

People were coming in and out of the studio all day sometimes, and other days, it would just be Jonathan and I holed up, getting stoned, and doing everything. And while his stage presence photos here during his live performances which have been brilliantly analyzed by Shane Ryan at Paste has been a key element of his success, it certainly helps that he has one hell of a great album to play every night. Father John Misty - I'm Writing A Novel MP3 Although he spent the majority of his career releasing somber folk albums under his birth name Joshua Tillman , the Seattle musician now known as Father John Misty has become one of the last year's most consistently fascinating artists, riding a Bowie-like reinvention to an inevitable spot in the upper echelons of indie rock. It was unbelievably liberating. This podcast features exclusive KEXP in-studio performances, unreleased songs, and recordings from independent artists that our DJs think you should hear. A critical and commercial sleeper hit, Fear Fun, Tillman's debut under the moniker Father John Misty, was a reinvention that immediately made his former gig a footnote in any press coverage he received. Instead, journalists were now focusing on the onstage superstar who had suddenly emerged out of Tillman. I knew there was never any going back to the place I was writing from before, which was a huge relief. I like humor and sex and mischief. Today's song, featured on the Mo I have a really morbid sense of humor. I was hell-bent on putting my preciousness at stake in order to find something worth singing about. Driving with a country-style drum beat and soaring guitars, "I'm Writing A Novel" is perhaps Father John Misty's quintessential track and an indie rock version of Arrested Development: self-referential, clever, and highly enjoyable to even those who don't get the in-jokes. What I call it is totally arbitrary, but I like the name. Incorporating elements of indie rock, folk, and country rock and tempered with a lyrical voice that's at once serious and completely sardonic, Fear Fun is Tillman's most direct and diverse set to date, covering quite a few musical bases while containing a slew of instantly memorable lyrical one-liners. I see a lot of rampant, sexless, male-fantasy everywhere in the music around me. Pretty narcissistic stuff. After a few weeks, I was writing a novel, which is where I finally found my narrative voice. Father John Misty is currently working on a followup to Fear Fun - tentitively titled I Love You, Honeybear watch him play the title track live at the Neptune here - but nonetheless, he'll be embarking on a solo tour in the fall, including a date at the Moore on October 6th. Get tickets and info for that show here , and keep up with Tillman on his website and Facebook page.
